VOLUME 1, NUMBER 1

2012

January 10, 2012 was our first anniversary! We have been in Kensington for one whole year and it was a very exciting year. We are looking forward to a fantastic 2012. Special thanks to each and every one of you for your support and encouragement. We very much appreciate all that you do to make this THE best place on earth to work. Who was it that said; "if you do what you love you will never 'work' a day in your life"? For us, there could not be a truer statement. At *Hughes on Tenth* we do what we love and LOVE what we do! Thanks again. We look forward to another wonderful year together.
